To Whom it may Concern,

It gives me great happiness to write this letter of reference for Anne Kaarid. I had the pleasure of meeting Anne when she was a student in my class at Trios College in the Massage Therapy Program. To say that Anne was an exceptional student would be an understatement. Anne excelled at all tasks that were put in front of her due to her hard working nature and her desire to know all she could about the subject of massage therapy. Even when Anne felt overwhelmed at times, she still managed to come to class with her head held high and encourage those around her.

Anne's presence in the class room was joyful and her clinical abilities far exceed student expectation. Anne has a natural healing ability and any organization certainly will gain from having her as a part of their team.

If you require any other information, please do not hesitate to reach out.

Sincerely,

A handwritten signature in cursive script that reads "Amber Henhawke".
